To the Human Resources Department

Madam, Sir,

Currently looking for a new opportunity, I would like to propose my candidacy for a position of a Project Manager.

Holder of a diploma in Preparatory Classes for Grandes Ecoles Engineers; option: Technology and Industrial Sciences, and 1 year in Cycle of Engineer in Faculty and Technical Sciences in Fez, then a License Professional in Maintenance and Management of Industrial Systems, also I have experience as a Plastic Injection Production Team Leader at DELFINGEN MA-Tanger for 2 projects (Renault and Somaca) then Chef of Plastic Extrusion production team, also the position of a Chef of Steelworks Production team at MAGHREBSTEEL, and I occupy currently the position of a Fiber Optic Project Manager at AVANZIT MOROCCO TECHNOLOGY. I learned the basics of the trade such as preventive maintenance, perform tests and measurements and troubleshoot support by in the event of a malfunction, increase the reliability and improve the production, team management, stress management, as well as the animation of meetings and trainings.

Having a pronounced taste for technique, I am naturally curious and am always eager to keep me up to date by looking for news technologies. Convinced that our collaboration will be rich in lessons for your business as for me I would be very happy to meet you so to expose to you further my motivations. Pending a favorable response from you, Madam, Sir, to the expression with all my consideration.
