History:

- ▶ **In 1969; “Çakırođlu Demir Ticaret ve Nakliye Kolektif Őirketi”** was established in Karabük by our respectable founder decedent **Őevket Çakırođlu**
- ▶ **1979;** The Company signed its first partnership with **“Çukurova Demir Çelik Sanayi Haddecilik Limited Őirketi”**. This collaboration carried out significant projects of Turkey's heavy industry until 1985.
- ▶ **1985; “Çakırođlu İnŐaat Malzemeleri Ticaret Sanayi Anonim Őirketi”** was established and in the same year it gained broader experience in the infrastructure, construction and contracting sector as a part of Çakırođlu Yapı A.Ő. the Real Estate Project Development Office.
- ▶ **1992; “Çakırođlu İthalat İhracat Metal Sanayi ve Anonim Őirketi”** was established to meet the strong national and foreign demands in iron and steel industry.
- ▶ **2000;** All the subsidiaries gathered under the roof of **Çakırođlu Group** as the new brand at the facilities located in Tuzla on an area of 29,000 m².
- ▶ **2008; Çakırođlu Group** gathered all its export operations under **“Çakırođlu Demir Çelik Sanayi ve Ticaret Anonim Őirketi”** structure in the second quarter of the year and launched one of the most well-known production plant in iron and steel industry in the same year.
- ▶ **2008; “Çakırođlu Demir Çelik Sanayi ve Ticaret Anonim Őirketi”** increased its foreign trade volume and opened branches abroad.
- ▶ **2013; Çakırođlu Metal,** with its turnover and export volume, came in third place among the companies that achieved the biggest increase in exportation; thus deemed worth of **“Export Stars Award”** of İMMİB (Istanbul Minerals and Metals Exporters' Association), a DEİK (Foreign Economic Relations Board) organization.

ÇAKIROĞLU METAL (CM)

The Company

Founded in 1969, Çakiroğlu Metal is one of the leading companies of Turkey's steel industry with a global export records. Çakiroğlu Metal offers multiple clientele services to ensure full satisfaction with the capacity to respond to all inquiries within and outside our profile. to deliver a wide range of product and service so as to ensure a one stop shopping experience to our clients.

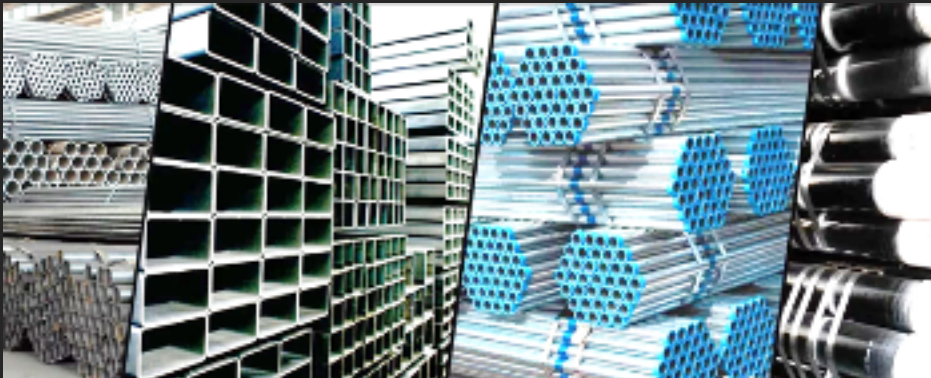

Our Vision

The original vision of CM is to largely remain the one stop shop of all iron-steel products from Turkey and global origins.

Our Mission

The major mission of CM is to effectively collaborate with local and global producers and shipping companies to offer the very best services on both production and delivery lead time.

LONG PRODUCTS

REINFORCED STEEL IN COILS

Grade: B500B, ASTM A615, FE500, B500C, BST500S, S400W

Sizes (mm): 6 ~ 20mm, Coil Weight: 2 ~ 3 MT

Origin: Turkey.

WIRE RODS

Standard: SAE1006 ~ 1065

Size (mm): 5.5 ~ 25 Coil Weight: 2 ~ 3 MT

Origin: Turkey.

REINFORCED STEEL BARS

Grade: B500B, ASTM A615, FE500, B500C, BST500S, S400

Sizes (mm): 6 ~ 50

Length (m): 6 ~ 18

Origin: Turkey.

BILLETS

Grade: 3SP, 4SP, 5 SP

Sizes (mm): 100x100-200x200

Lengths (m): 6-12

ANGLES ~ IPE ~ IPN ~ UPN

Grade: S235JR, S275JR, S355JR, S355J2

Angle Sizes (mm): 18x18x2 ~ 250x250x25

Profile Sizes (mm): 25 ~ 600

Length (m): 6 ~ 12

Origin: Turkey, Germany, Spain, Italy, Korea.

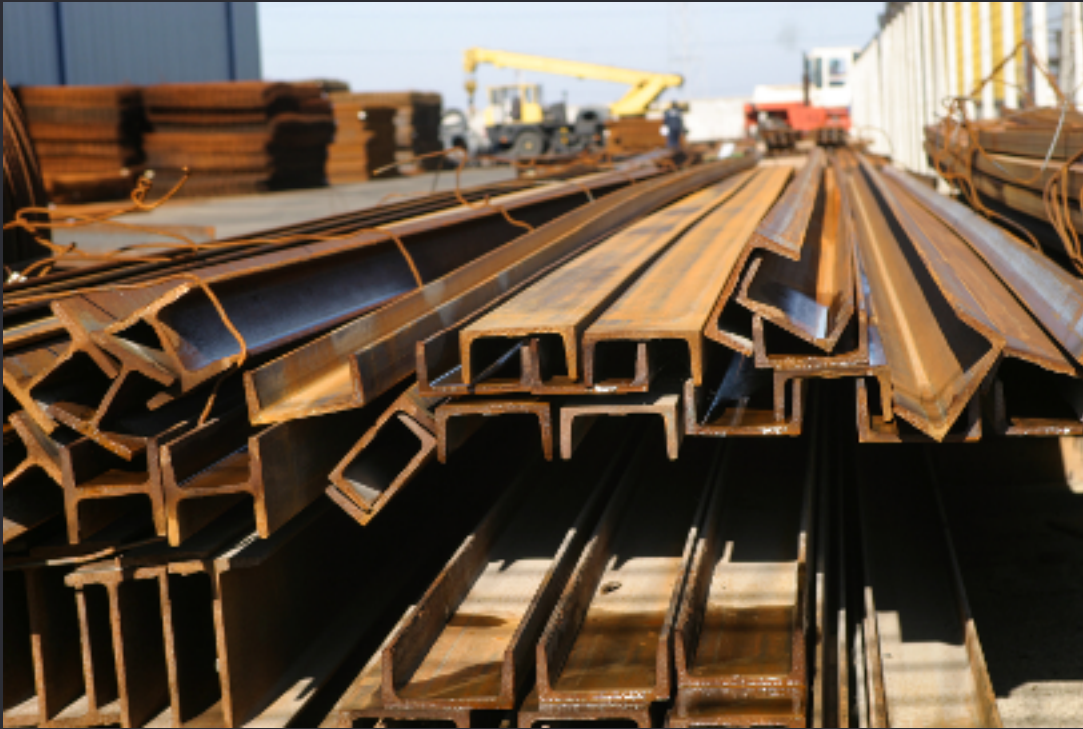

HEA - HEB

Grade: S235JR, S275JR, S355JR, S355J2

Sizes (mm): 80 ~ 1000

Length (m): 6 ~ 12

Origin: Turkey, Germany, Spain, Italy, Korea.

LIGHT WEIGHT STEEL BARS

ROUND BARS

Grade: S235JR, S275JR, S355JR, S355J2

Sizes: (mm): 6 ~ 120

Length (m): 6 ~ 12

Origin: Turkey.

SQUARE BARS

Grade: S235JR, S275JR, S355JR

Sizes(mm): 6x6 ~ 100x100

Length(m): 6 ~ 12

Origin: Turkey.

FLAT BARS

Grade: S235JR, S275JR, S355JR, S355J2

Size(mm): 12x2,5 ~ 160x40

Length(m): 6 ~ 12

Origin: Turkey.

SQUARE & RECTANGULAR HOLLOW SECTIONS

Standard: DIN/EN/ASTM/GB/JIS Size (mm): 10 ~ 1000

Length (m): 6 ~ 12

Origin: Turkey.

GALVANISED, PAINTED & BLACK PIPES

Standard: DIN/EN/ASTM/GB/JIS Size (mm): 21.3 ~ 323.9

Length (m): 6 ~ 12

Origin: Turkey.

HOT ROLLED COILS

Standard: DIN/EN/ASTM/GB/JIS Thickness: 1 ~ 25mm

Width: 1000 ~ 2000

Origin: Turkey.

PREPAINTED COILS

Standard: DIN/EN/ASTM/GB/JIS Thickness
0.2 ~ 2.5mm

Width: 650 ~ 1500

Zinc Coating: 30 ~ 275g/sm

Origin: Turkey.

HOT ROLLED PLATES

Standard: DIN/EN/ASTM/GB/JIS Thickness: 6 ~ 150mm

Width: 1000 ~ 2500

Origin: Turkey, Korea, Europe.

COLD ROLLED COILS

Standard: DIN/EN/ASTM/GB/JIS Thickness 0.3 ~ 3mm

Width: 850 ~ 2500

Origin: Turkey, Europe, Korea.

HOT DIPPED GALVANIZED COILS

Standard: DIN/EN/ASTM/GB/JIS Thickness 0.2-6mm

Width: 650 ~ 1500

Zinc Coating: 30 ~ 275g/sm.

Origin: Turkey, Europe, Korea.

BLACK AND GALVANIZED TEAR-DROP COILS

Standard: DIN/EN/ASTM/GB/JIS Thickness 1,1-18mm

Width: 650-1500

Zinc Coating: 100 ~ 275g/sm.

Origin: Turkey
